

The Red Lion Hotel

REGATTA HOSPITALITY

The **Henley Royal Regatta** was first held in 1839 and, in the years since, has become a world renowned rowing event and quite simply the quintessential image of the southern British Summer.

The Red Lion Hotel, Bar and Restaurant offers one of the most prestigious locations overlooking the River Thames just a few yards from the Royal Regatta finishing line. The hotel's breath-taking views of the river and it's close proximity to the buzzing town centre make it the ideal spot to enjoy the weeks races and festivities.

Enjoy the Regatta in style in one of our newly refurbished, river-view rooms with a 24 hour residents bar! Finish your day at the Red Lion serving only the finest selection of chilled bubbly as the sun goes down.

Following a successful 2011 Royal Regatta the Red Lion Hotel has introduced our live jazz player to entertain you during our gala buffet luncheon.

For an unforgettable corporate hospitality event or private Royal Regatta experience, be sure to call our Regatta Coordinators, who will be happy to discuss your personal requirements.
